As follow up to your request regarding the availability of utility services, PSE&G can provide Gas and Electric Services as approved by the State of New Jersey Board of Public Utilities including gas and electric meters for each unit of your proposed project.

The service and supply of energy by PSE&G for the use of owners, tenants or occupants of buildings or premises will normally be furnished directly to them as customers of PSE&G through individual meters.

Should you require additional information regarding PSE&G processes; the instructions are located on the PSEG Web Site at www.pseg.com. If you have any questions, please feel free to call or email.

Sincerely,

Luis M. Sacramento
